The Warrior Race is a book jumping off of the Enhanced universe. As such, it connects to one character that we have met previously, but the remainder of the story couldn't be more different from the Enhanced series. Without giving away spoilers, this new direction is something I couldn't have anticipated, based on the author's other novels.

Enhanced books are a Web-2.0-ish variation on simple hyperlinked text, and one of the things I think we're all surprised by these days is the fact that even though hyperlinking is readily available it's neither freely used nor routinely demanded by most content. As you rightly point out, all this talk about Enhanced Books is marketing speak.
